

Trimble

Gailey Eye Clinic
Bloomington, IL

Distance: 100 Meters **Speed:** 100 Mbps Full Duplex

Purpose of Link: The Gailey Eye Clinic in Bloomington, IL needed to connect their data network across the street to their expanded customer eye center. Just 100 meters separated them...and a 4 month wait to get a permit to dig for fiber.

Since the connection was needed immediately, they contacted BluTec Systems for a recommendation. Deciding to install a Trimble PX-P0200E100TP provided just the right answer...allowing for immediate connectivity.

Have a tight deadline and need that network connection within 30 days? No problem. That's what we are here for. Get a QuickQuote today.

BluTec Systems

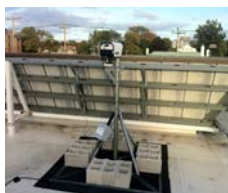

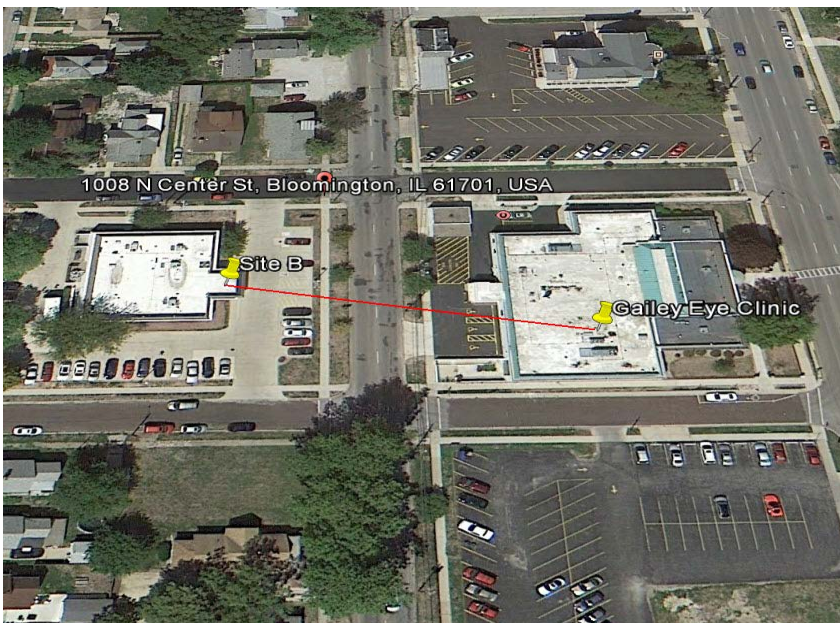

Operating out of Chanhassen, MN USA, BluTec Systems is structured to serve customers from around the world. Our staff is available 24x7, seven days a week to handle any inquiry or question you might have.

We are here to serve YOU. Thank you for allowing us to help you with your wireless point to point needs.

Installation Services

Since 2001, BluTec Systems has installed more links (600+) than any other North American provider of point-to-point solutions. Our manufacturer-certified installers are proficient across all brands of FSO or RF products.

Their job...is to make the integration to your network environment as seamless as possible. Taking just two days, we promise your vital infrastructure services will go uninterrupted.
