

Trimble

LunchBox LP
Culver City, CA

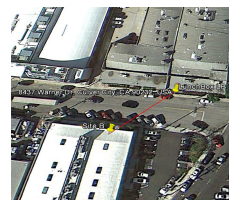

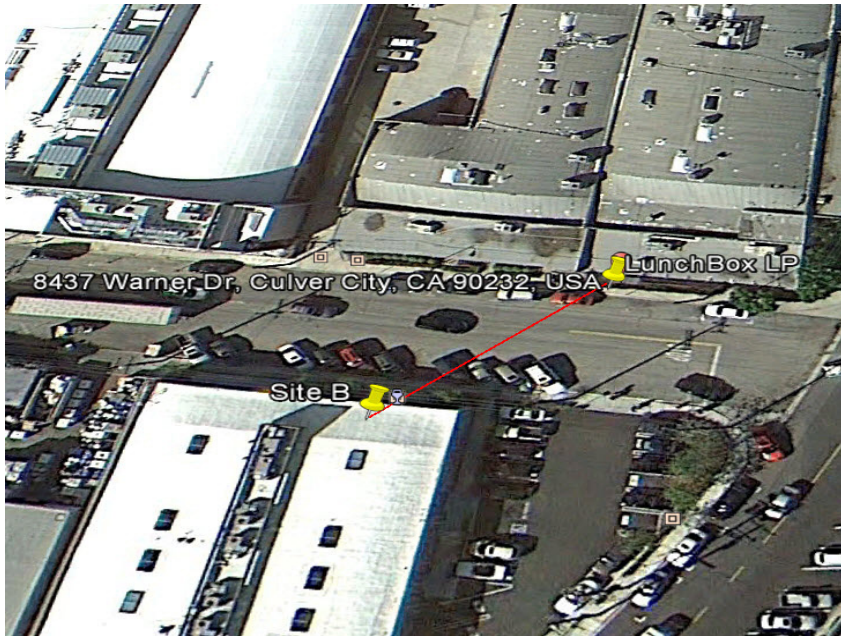

Distance: 35 Meters Speed: 1.0 Gbps Full Duplex

Purpose of Link: LunchBox LP outgrew their original building and needed to expand...just right across the street. The Trimble **PX-0200E1000** was the right solution. Less than \$10,000 installed, the link was in place passing data within 30 days..

Simple...effective...fast.

Don't have time for the phone company to get back to you? That's why we are here. Get a QuickQuote today.

BluTec Systems

Operating out of Chanhassen, MN USA, BluTec Systems is structured to serve customers from around the world. Our staff is available 24x7, seven days a week to handle any inquiry or question you might have.

We are here to serve YOU. Thank you for allowing us to help you with your wireless point to point needs.

Installation Services

Since 2001, BluTec Systems has installed more links (750+) than any other North American provider of point-to-point solutions. Our manufacturer-certified installers are proficient across all brands of FSO or RF products.

Their job...is to make the integration to your network environment as seamless as possible. Taking just two days, we promise your vital infrastructure services will go uninterrupted.

Quick Quote

This unique feature delivers our recommendation and pricing with no charge or obligation to you. Thank you for the opportunity!
